

**City of Lansing Arts & Culture Grants
MINI POCKET GRANTS FOR ART GUIDELINES
FY2027**

The Arts Council of Greater Lansing is pleased to announce the City of Lansing's Mini Pocket Grants for Art.

Purpose and Goals:

The purpose of these \$500 pocket-sized grants is to encourage all those with creative and innovative ideas to embrace #LoveLansing and add to the first impression of the City. Anyone interested in producing arts-based projects, events or installations in neighborhoods within the City of Lansing can submit brief proposals for a monthly review and quick turnaround.

The Mini Pocket Grants for Art are awarded to motivate creative people to do creative projects. If you have a small project that just needs a small amount of funding to do something creative in your neighborhood or district, apply to receive one of the Mini Pocket Grants for Arts.

Participation from year to year is not guaranteed, nor is there a commitment to fund this program, or participating organizations, at current levels if general fund appropriations do not allow. You may only receive one Mini Pocket Grant for Art per grant cycle: October 1, 2026 – September 30, 2027.

The goals of the Mini Pocket Grants for Art are to support innovative, creative and artistic projects in the City of Lansing that are of high arts and cultural merit, and provide free, open and accessible projects to the public, including people with disabilities

Examples of appropriate proposals might include:

Hiring a musician for your event; hiring a muralist to paint a wall in your neighborhood; teaching a poetry class; inviting cultural dance troupes to your event; doing a community paint project.

Eligibility Criteria:

This program provides specific support for visual, literary or performing arts projects. Applicants must meet the following criteria:

- Projects must take place in the City of Lansing or specifically provide access to arts and culture for City of Lansing residents
- Applicants will be given priority if they are headquartered in Lansing, and will also be given strong consideration if they are headquartered the Greater Lansing Region (Clinton, Eaton and Ingham counties)
